

End User License Agreement

RocketDocs LaunchPad

This Add-in is not intended for personal use, but only for use in connection with RocketDocs software separately licensed by your business under its existing subscription services agreement with RocketDocs and subscription orders thereunder ("Company Subscription Agreement"). This Add-in cannot run by itself and is designed to be used exclusively with the separately licensed RocketDocs software installed pursuant to the Company Subscription Agreement. If this Add-in is downloaded and installed on either a company device and/or on your personal device (at the instruction of your company) use of this Add-in is licensed under and subject to the Terms and Conditions of such Company Subscription Agreement.
